

SAN BERNARDINO INTERNATIONAL AIRPORT AUTHORITY

Request for Statement of Qualifications (SOQ)

CONSTRUCTION MANAGEMENT SERVICES FOR: RUNWAY 6/24 JOINT & SPALL REPAIR AND TAXIWAY SHOULDER IMPROVEMENT PROJECTS

Addendum No. 1

May 31, 2022

All prospective Construction Management Firms are hereby notified of the additional information requested for the SOQ for the Construction Management services for: Runway 6/24 Joint & Spall Repair and Taxiway Shoulder Improvement Projects:

1. On page 10 of the SOQ request, Item 7 of the Evaluation criteria says "Cost to SBIAA for the firm to provide the services as specified within this SOQ to the extent that cost can be considered under FAA grant obligation." However, there is nothing in the SOQ that references how a cost proposal should be presented. Can you please clarify how to format and/or address the issue of cost?

Clarification regarding Section VIII.B.7, on page 10 of the RFP: respondents shall **NOT** include a cost proposal with their SOQ submittal. After determining the Selected Firm in accordance with Section VIII of the RFP, SBIAA will then enter into fee negotiations as described in Section I.C on page 1 of the RFP.

2. Also, can you please clarify the page count requirement. There was a typo where it says "Proposals shall be limited to a maximum of thirty (20) double-sided pages, not including Exhibits required by this SOQ nor cover letter." so it would be a big help with the direction of our proposal to know the maximum page count.
 - Correction: The first sentence of Section V.B.3 on page 7 of the RFP shall hereby be replaced with the following language: "Proposals shall be limited to a maximum of thirty **(30)** double-sided pages, not included Exhibits required by this SOQ nor cover letter."
3. "Assistant Secretary of the Commission, San Bernardino International Airport Authority" — Can you please provide us with the name of the person, or are we addressing the cover letter just to the title?
 - Affirmation: Proposals shall be submitted to: "Assistant Secretary of the Commission" in accordance with Section II.B on page 2 of the RFP.
